For the health of our community, Boise State University is smoke-free.

The smoke-free policy covers all university owned or controlled buildings, property, vehicles, surrounding sidewalks and greenbelt section adjacent to campus.

THINKING ABOUT QUITTING?

Call 1-800-QUIT-NOW (1-800-784-8669)
Log onto: www.idaho.quitnet.com

For the latest cessation class and tobacco information:
www.boisestate.edu/healthservices/info/tobacco

FREE NICOTINE REPLACEMENT THERAPY is available by calling 1-800-QUIT-NOW or logging on to www.idaho.quitnet.com. Smokers who call or log on can request 4-weeks of their choice of nicotine patches, gum or lozenges.

To learn more, including how to be an FAA (Fresh Air Advocate), log onto: www.boisestate.edu/healthservices/smokefree
