Updated Traffic Pattern
June 30-July 14, 2017

Portions of the West Reserve Towers parking lot were permanently closed for the construction of the Center for Fine Arts beginning May 2017.

Additional temporary lot closures will occur throughout the construction process on an as-needed basis.

When possible drive lanes for through traffic will be created.

Please follow all marked detours.

- Construction site (closed May 2017-Summer 2019)
- Temporary drive lane for through traffic (June 30-July 14, 2017)
